Parents and players:

Due to field availability in March we will be starting evaluations MID March and running into early April

Players must make themselves available for their evaluation times or we will have no choice but to place them based on past playing history as well as coaches evaluations.

Potential Coaches: We have also eliminated quite a few times that were used to view players so we STRONGLY encourage all of you that are interested in coaching this outdoor season to attend the evaluation sessions that you have the potential to coach in.

If you have any questions about the process please feel free to contact our Evaluation Committee.

Evaluation committee: Derryl Murphy, Stew Gillott, Anne Ballantyne, Kevin Zmlak, Brian Rindall, Alick Mulenga,
